Helping Animals Live Organization

H.A.L.O. is a non-profit, volunteer animal rescue organization dedicated to responsible and loving stewardship for every stray, lost, and abandoned animal that comes into our care. We operate a no-kill, cage-free cat shelter called H.A.L.O. House. In addition to rescuing animals in need, we offer placement and re-homing assistance for both dogs and cats. We receive no local, county, state, or federal assistance and rely solely on contributions and grants to survive.

Holiday Newsletter 2020

### It's been a trying time for animal rescue organizations in 2020.

Because of the seriousness of the COVID pandemic, we have had to limit our fundraising events, in some cases eliminate our events altogether. Therefore, your donation this year is more important than ever and here's how you can help. Please consider donating during our December Save a Life Campaign so that we can continue to provide the best care for the 50 plus cats that reside at the H.A.L.O. House. (See details below.)

### MEET JOYCE AND CANDY AT H.A.L.O. HOUSE

Joyce

Joyce Humphrey, Manager at the House, has been with H.A.L.O. for 10 years. She has a heart of gold and is dedicated to the loving care of the cats and kittens. Along with her many chores at the House, Joyce often takes cats to their vet visits. She works tirelessly with Assistant Manager, Candy Dean. Candy is also invaluable to the House, and together they make certain that all cats and kittens are loved, safe, and happy! Thank you both for ALL you do!

### A Home for the Holidays

We love all of our cats at the H.A.L.O. house, but our hope is for them to find their forever loving homes. If you have room in your home and in your heart, please visit our Web site to view all adoptable cats at [www.halorescue.net](http://www.halorescue.net), find us on [petfinder.com](http://petfinder.com), follow us on Facebook — or visit the H.A.L.O. House to pick out your forever cat or kitten. And after the holiday, stop by to complete a simple adoption process.

Every cat is checked by a vet, is spayed or neutered, and is tested for feline AIDS and Leukemia. We then put them into our cat colony to socialize with other cats to prepare them for adoption.

Call us at 315.985.3738 to schedule a visit.

Thank you Joyce and Laurie for your hard work on two very hot days!

♥ We're here at the H.A.L.O. House just waiting for you. ♥

Noelle: I'm a very sweet girl and have been at the House for 5+ years. I'm quiet and just want you to pet me. My name means "Christmas" and I'm really hoping that this year will be the year I find my forever home. Merry Christmas and I hope to meet you soon.

Judy: Hello. I've been at the House the longest, so I'm called the "matriarch" of H.A.L.O. I like to curl up by the window, but when treats are handed out, I'm front and center. My wish is to find a forever home this holiday season with a loving family. Is it you? Please come visit me.

Jasmine: Hi Everyone. I'm about 10 years old. I arrived at H.A.L.O. at a young age along with my two sisters, who unfortunately have since passed. I would love for you to adopt me so I can be part of a family. I do have polyps in my throat which require medication daily, but it's ok. I'm anxiously waiting to meet you.

Joanna. How could you resist taking me home to love! I'm about 15 years old with some digestive problems, so I'll need a bit of special attention. But, I would love to spend my years with you if you would like to have me as a "senior" cat. We can sit quietly together. I can't wait!

**DO YOU HAVE TIME TO VOLUNTEER?**

We're always in need of help at the H.A.L.O. House and would love to meet with you and discuss the many ways you can help. There's always feeding cats and cleaning, but we also need volunteers to spend time with our cats and kittens, and who wouldn't enjoy that?

Contact Joyce or candy at 315.985.3738.

**TREE OF LOVE**

Our Tree of Love for 2020 has unfortunately had to be postponed until next year due to limited COVID gatherings, BUT we plan to bring it back next year. See you then.

**MEET A VERY SPECIAL JAMES**

James is a sweet, handsome, very young rescue off the streets in Herkimer and was very active until suddenly he got sick with fever. He's had tests, blood work, and x-rays but no diagnosis as of yet. We will continue to seek answers.

Until then, we ask that you keep James in your thoughts and to please consider donating to James for his medical issues and vet visits.

*Everything we do is only possible because of your generosity, and we at H.A.L.O THANK YOU!*
